M.Tech Dissertation & Research Colloquium Guidelines

Authority: Postgraduate Research Board, Department of CSE | Regulation: Session 2023-2024 | Curriculum Pillar: Phase 5

1. RESEARCH COLLOQUIUM & LITERATURE REVIEW STANDARDS

- Colloquium I & II require exhaustive critical review of top-tier SCI/Scopus indexed literature.
- Presentation of 30-minute departmental seminar defending research gaps and methodology.
- Mandatory submission of draft research paper in IEEE Conference format.
- Plagiarism threshold: Less than 10% similarity index via Turnitin/Urkund.

2. PRELIMINARY THESIS & FINAL DISSERTATION DEFENSE

- MCS-393: Research proposal defense, mathematical modeling, simulation framework setup.
- MCS-394: Empirical validation, comparative benchmarking, and final thesis book submission.
- Requirement of at least one accepted publication in a peer-reviewed indexed journal.
- Open oral defense before External Examiner appointed by Vice-Chancellor.
